Re: COVID-19: Contested Case Hearings

The Texas Department of Insurance, Division of Workers' Compensation (DWC) has been monitoring the latest developments related to COVID-19. Due to increasing vaccine availability and ongoing safety improvements to field offices, DWC has determined that in-person contested case hearings will resume Monday, August 2, 2021.

DWC encourages all system participants to begin preparing for these in-person contested case hearings. In the coming weeks, dockets will begin to reflect this future change. Parties should continue to file and exchange documents electronically.
